The company has always paid great attention to saving energy and protecting the environment.

Lo Showroom di Milano, situato in una delle aree più rilevanti del design Italiano, è destinato all'esposizione del mondo Globo e dei suoi valori: un'importante vetrina segno tangibile di quanto sia irrinunciabile la cura dei rapporti umani tra l'Azienda e gli attori del suo mercato.

The Milan Showroom, located in one of the most important areas of Italian design, is dedicated to exhibiting the Globo world and its values; an important showcase and tangible sign of how crucial it is to build meaningful relationships and partnerships between the Company and professionals in the market.
